

To Whom It May Concern,

This is to certify on behalf of Hawthorne Canada Limited ("Hawthorne Canada") that our products are manufactured according to internal good manufacturing practices and quality assurance protocols that are designed to prevent the incorporation of Prohibited Pest Control Products*, organisms, animal products, or viable plant materials. We certify at the point of manufacture that the product meets the label guarantees and conforms to applicable Canadian regulatory standards.

Hawthorne Canada believes the products to be in compliance with the requirements of the Fertilizers Act and Regulations and the published standards set by the Canadian Food Inspection Agency (CFIA) applicable to the products. Hawthorne makes no further representation regarding whether the use of such products complies with any applicable regulatory requirements incumbent upon user.

***Prohibited Pest Control Products" is a specific reference to those active ingredients identified in the "Mandatory cannabis testing for pesticide active ingredients - List and limits" publication issued by Health Canada.*
