DIRECTIONS

Manual Spray - After each cleaning, spray a mist on walls and floors around each toilet and urinal

BENEFITS

- An innovative formulation that binds to odor causing molecules neutralizing the odor very rapidly (within seconds of application); then the microorganisms go to work and eliminate the cause of the odor
- Designed as an effective odor control product for all bathroom/ washroom/shower/change room facilities
- Does not mask malodors with fragrance
- Has a non re-soiling surfactant so it can be used on both hard and soft surfaces
- Displaces unknown, potentially “pathogenic” (disease causing) bacteria with known, healthy microorganisms and in this way contributes to better human health
- WHMIS/OSHA exempt

STORAGE & TRANSPORTATION

- Store in a cool, well ventilated area
- Do not freeze; or expose for a long period of time to direct sunlight or strong incandescent lights
- Colors may change slightly overtime due to the food, drug and cosmetic dyes that are used in this product
