### STORAGE

Do not contaminate water, food, or feed by storage and disposal. Store in a dry place no lower in temperature than 10° C or higher than 50° C.

### DISPOSAL

Rinse the emptied container thoroughly. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

### PERSONAL PROTECTION

Please refer to product label and SDS

DISINFECTANTS

## DISINFECTING, DEODORIZING:

Remove gross filth or heavy soil prior to application of the product. Hold container 15 to 20 cm from the surface to be treated. Spray area until it is covered with the product. Allow surface to remain visibly wet for 5 minutes. No scrubbing necessary. Allow treated surfaces to air dry or wipe off with a clean cloth. When using on food contact surfaces: countertops, stovetops, highchairs, kitchen appliances, thoroughly rinse all treated surfaces with potable water. This product must not be used to clean eating utensils, glassware and dishes.

ES15 Spray & Wipe Disinfectant Cleaner is an effective bactericide and virucide in the presence of organic soil against:
