

## BIO-ACTIVE ALL PURPOSE DIGESTANT

- For Food Plant and other industrial and commercial use
- Prevents accumulation and clogging
- Formulated to eliminate malodors in washrooms

	ES202
<b>APPEARANCE</b>	Slightly Turbid Colourless Liquid
<b>ODOR</b>	Fruity
<b>SOLUBILITY</b>	Dispersible
<b>RELATIVE DENSITY</b>	~1.003
<b>pH-VALUE</b>	6.0-8.5
<b>VISCOSITY</b>	N/A
<b>SHELF LIFE</b>	2 Years

SIZES	
<b>ES202-6</b>	946 mL (1 US Quart)
<b>ES202-4</b>	3.78 L (1 U.S. gallon)

For Food Plant and other industrial and commercial use

### DISPOSAL

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

### PERSONAL PROTECTION

Please refer to product label and SDS.

### DILUTION RATES (Using warm water)

#### Odor Control:

128 oz/gal heavy duty (1:1)  
12 oz/gal light duty (1:10)

#### Carpets/Restrooms/Floors:

12 oz/gal heavy duty (1:10)  
6 oz/gal light duty (1:20)

**NOTE:** Improper use of dilutions may cause this product not to work properly and may increase the risk of health effects.

### BENEFITS

- Its tensioactive agents assure optimal performance even in tough conditions
- Contains combined aerobic and anaerobic microorganisms capable of biodegrading oil, grease and a variety of organic materials
- Eliminates bad odors of urine and excrement at the source leaving a clean fresh scent
- Used on a regular basis, eliminates bacterial growth and the return of malodors

### DIRECTIONS

#### DRAINS & DRAIN LINES

##### Initial Treatment:

Pour 295 mL (10 oz) of product in sink or pipeline once daily for 3 consecutive days. For maximum efficiency, let stand without use of water in the line for 6 hours or more, and then let water circulate in the pipeline.

##### Weekly Preventative Treatment:

Pour 295 mL (10 oz) of product, and where possible, let stand for 6 hours or more before use of water in the line.

##### Manual Spray:

Spray a mist on walls and floors around each toilet and urinal.

### STORAGE & TRANSPORTATION

Store in a cool, well ventilated area: do not freeze. See SDS for further disposal information.
