

## ECO-FRESH

### LIGHT DUTY ALL PURPOSE CLEANER

#### Product Description

ECO-FRESH is a light duty all purpose cleaner for high-pressure washing. It is effective for cleaning grease and oil from engine blocks, transmission housings, differentials and internal engine components. It is also an excellent floor cleaner. It cleans exterior surfaces of locomotives, rail cars, trucks and truck frames. ECO-FRESH is typically used in the following industries: heavy equipment, transportation, mining, forestry, pulp and paper, marine, railroads and engine repair shops.

#### Directions for Use

Pre-soak- Dilute to 4:1 or use full strength. Apply with low pressure up to 100 psi. Allow contact time of 2-10 minutes depending on temperature and surface soil condition.

Pressure washing - Concentration ratio varies from 1/2 oz. to 1-1/2 oz. per gallon (.3 - 1.0%), depending on surface soil condition and temperature.

Floor and Equipment cleaning - Use from 20:1 to full strength depending upon surface dirt and soil condition. Rinse with water.

#### Physical Properties

Appearance	clear liquid
Odour	slight
pH(100%)	13.0-14.0
Spec. Gravity	1.03

#### Features

- Good Hard Water Tolerance
- Contains Biodegradable ingredients
- Contains penetrants and dispersants
- Good Rinsing
- Has CFIA approval

#### Benefits

- Minimal Environmental impact
- Effectively removes greasy and oily soils
- Minimal scale build up
- Leaves a clean, film free surface
- Can be used in food processing plants

#### Notes

At high concentrations, ECO-FRESH may affect sensitive metals. Please refer to Material Safety Data Sheet for disposal and handling procedures.
