

ServClean®

FOAMING HAND SANITIZER

PRODUCT INFORMATION SHEET

Description

The same Foaming Hand Sanitizer offered in our propriety dispensing system is now available in our new convenient sized bottles for areas where soap dispensers are not required. Antiseptic, hand Sanitizer helps reduce bacteria that potentially can cause disease. Leaves skin feeling soft. For use when soap and water are not available.

Uses

Hand Sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Directions

Rub thoroughly into hands for at least 30 seconds. Allow to dry. Supervise children when they use this product. For occasional and personal domestic use.

Personal Protection

Please refer to product label and SDS
