HAND

Foodhandlers' Foaming Hand Soap

PRODUCT INFORMATION SHEET

Description:

A foaming hand soap for foodhandlers.

Product Use:

A high quality foaming hand soap for use in a bulk-fill foam soap dispenser. Delivers exceptional quality at a quarter of the cost of cartridge soap programs.

Dilution:

Ready-to-use

Directions for Use:

Pour contents into an appropriate foam-generating dispenser. Dispense as needed directly onto hands, add water as necessary to generate a rich lather.

Continue to rub hands together aggressively for 15-20 seconds so as to reach all surfaces with product. Rinse hands free of lather and dry.

Caution:

- PRECAUTIONARY STATEMENTS: Read label before use.
- IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- Refer to Safety Data Sheet before use.
