This is to certify on behalf of CX Horticulture that the above mentioned product is manufactured according to internal good manufacturing practices and quality assurance protocols that are designed to prevent the incorporation of Prohibited Pest Control Products*, organisms, animal products, or viable plant materials. We certify at the point of manufacture that the product meets the label guarantees and conforms to Canadian regulatory standards.

CX Horticulture complies with the requirements of the Fertilizers Act and Regulations and the published standards set by the Canadian Food Inspection Agency (CFIA).

*"Prohibited Pest Control Products" is a specific reference to those active ingredients identified in the "Mandatory cannabis testing for pesticide active ingredients - List and limits" publication issued by Health Canada 2018-11-08.
